**ORDER: (1) HOLDING TROY MOUTON IN CONTEMPT FOR VIOLATION  
OF THE COURT'S ORDER DATED AUGUST 10, 2017; AND (2) REQUIRING  
THE U.S. MARSHALS SERVICE TO TAKE TROY MOUTON INTO CUSTODY  
AND PRODUCE HIM IN COURT**

[Doc. No. 29]

On August 10, 2017, this Court issued an order, a true and correct copy of which is attached hereto as **Exhibit A** (the "Order"). [Doc. No. 29]. The Order requires Troy Mouton ("Mouton") to personally appear in court on September 12, 2017, at 2:00 P.M., to give sworn testimony about certain real property owned by David Corona, the debtor in this case, to wit: 802 Sandford Lodge Drive, Houston, Texas 77073 (the "Property").

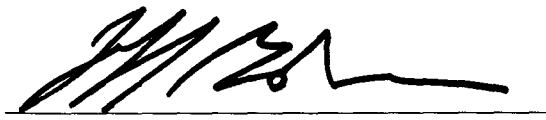

On September 12, 2017, at 2:00 P.M., this Court held a hearing. However, Mouton failed to appear. The Court therefore made findings of fact and conclusions of law on the record to the effect that Mouton was in contempt of the Order. The Court also orally stated on the record that it would issue a bench warrant for the U.S. Marshals Service to take Mouton into custody and produce him in court. Thus, this Court now issues this order. Accordingly, it is:

ORDERED that the U.S. Marshals Service shall take Troy Mouton into custody and produce him in court so that he can give testimony under oath about, among other issues, any actions that he has taken, and any communications that he has had, about the Property; and it is further

ORDERED that in executing this bench warrant, the U.S. Marshals Service is authorized to make forcible entry into any private property on which it is reasonable to believe Troy Mouton may be present or residing; and it is further

ORDERED that the U.S. Marshals Service is also authorized to use any force reasonably necessary to take Troy Mouton into custody.

**[Doc. No. 1]**

On August 4, 2017, this Court held a hearing in the above-referenced Chapter 13 case. Ms. Yadira Gonzalez ("Gonzalez") gave testimony that she has been residing at 802 Sandford Lodge Drive, Houston, Texas 77073 (the "Property")—which is property owned by the Debtor in this case—and that she has given approximately \$15,000 to Troy Mouton ("Mouton") over the past year with the expectation that he would make payments to the lienholder on the Property. Yet, the attorney for the lienholder, who appeared at the August 4, 2017 hearing, informed the Court that his client has received no payments over the past year. Gonzalez also gave testimony that Mouton has been representing to her for the past several months that he has been in communications with the lienholder and managed to work out a restructure agreement to avoid the lienholder holding a foreclosure sale on the Property. Yet, the attorney for the lienholder has informed the Court that he is aware of no such restructure agreement.

The Court now wants Mouton to personally appear in court and give testimony about his communications with Gonzalez concerning the Property and what he has done with the monies given to him by Gonzalez. The Court also wants Mouton, when he appears in court, to bring with him any documentation that he has in his possession (including emails and text messages)
